STATINTL

NOTE FOR:

[redacted]
Chairman, Unauthorized Disclosures
Investigation Subcommittee

It has been a long time since I coordinated a leak investigation. Some things are better - evidence of high level support and interest. Some things are the same - varying procedures, poor dissemination practices. Except for DIS and the final report, things are pretty well wrapped up [redacted]

STATINTL

Some things surfaced that should be shared with SECOM Members. As Chairman it would be proper for you to do it. To this end I've drafted for your consideration a memo to them. If you think it has merit in part or whole, send it out. If it looks like a waste, forget it.

I've got the files on this case and will do as you like with them.

Regards,
